## **Family of Origin Consultations**

Theory, Method, and Practice

This workshop includes a series of intensive conversations between members of a multi-generational family and two dynamic family experts. Conversations focus on reviewing family life and history to renegotiate relationships toward greater health and wellbeing.

- Learn how to use family of origin theory in active, direct, and intensive application with your clients.
- Take your intervention skills with difficult family dynamics to a deeper level.
- Consider the possibility of in-depth family of origin work with your clients to help them get unstuck in generations-old conflicts and patterns.

**Who:** Timothy Weber, Ph.D., and Cheryl Cebula, MSW, ACSW, are both faculty at Leadership Institute of Seattle at Bastyr University.
